

COMP-REG-5366: Compliance Reference Document

Department: Compliance

Author: Craig Green

Effective Date: 2021-09-24

Document Scope and Executive Summary

This compliance reference document outlines the core policies, standard operating procedures (SOPs), and operational governance.

Core Policies and Standard Operating Procedures

1. Policy: Confidentiality and Data Protection

* Purpose: To ensure the confidentiality, integrity, and availability of sensitive information.

* Scope: All employees, contractors, and third-party vendors handling company data.

* SOPs:

- + Handle confidential documents with care and store them in designated areas.
- + Use secure communication channels for sharing sensitive information.
- + Implement robust access controls to restrict unauthorized data access.

2. Policy: Anti-Corruption and Bribery

* Purpose: To prevent corruption, bribery, and other unethical practices within the organization.

* Scope: All employees, contractors, and third-party vendors engaged with the company.

* SOPs:

- + Disclose any potential conflicts of interest or gifts to management.
- + Report any suspected corrupt activities to the Compliance department.
- + Implement robust due diligence for third-party vendor selection.

3. Policy: Anti-Money Laundering (AML) and Know-Your-Customer (KYC)

* Purpose: To prevent and detect money laundering, terrorist financing, and other financial crimes.

* Scope: All employees, contractors, and third-party vendors handling customer transactions.

* SOPs:

- + Verify customer identities through KYC procedures.
- + Monitor and report suspicious transaction patterns to the Compliance department.
- + Implement robust AML program with ongoing training for employees.

Compliance Monitoring, Penalties, and Operational Governance

1. Compliance Monitoring

* Purpose: To ensure ongoing compliance with regulatory requirements, industry standards, and organizational policies.

* Scope: All employees, contractors, and third-party vendors engaged with the company.

* Procedures:

- + Conduct regular audits and risk assessments to identify potential compliance gaps.
- + Monitor employee training records and compliance certifications.
- + Review and update policies and SOPs as needed.

2. Penalties for Non-Compliance

* Purpose: To deter non-compliance and ensure accountability within the organization.

* Scope: All employees, contractors, and third-party vendors engaged with the company.

* Procedures:

- + Document all compliance incidents and maintain a centralized reporting system.
- + Conduct investigations and take corrective actions as necessary.
- + Impose disciplinary actions for repeated or egregious non-compliance.

3. Operational Governance

* Purpose: To ensure effective management of compliance-related activities and resources.

* Scope: All employees, contractors, and third-party vendors engaged with the company.

* Procedures:

- + Establish a Compliance Committee to oversee policy development and enforcement.
- + Designate a Chief Compliance Officer (CCO) to lead compliance efforts.
- + Implement a centralized compliance tracking system for monitoring and reporting.
