

TECH-ARCH-1508: Architecture Reference Document

Document Metadata

- * Document ID: TECH-ARCH-1508
- * Department: Architecture
- * Author: Megan Collins
- * Effective Date: 2025-10-13

1. Document Scope and Executive Summary

This document outlines the core policies, standard operating procedures (SOPs), and guidelines for the Architecture department.

The purpose of this document is to provide a comprehensive reference guide for architects, designers, and stakeholders to ensure consistency and quality in all architectural work.

2. Core Policies and Standard Operating Procedures

2.1 Design Principles and Guidelines

- * The Architecture department shall adhere to the [Company Name] design principles, which include:
 - + Scalability
 - + Security
 - + Maintainability
 - + Usability
- * All architecture designs shall be reviewed and approved by the Architecture Review Board (ARB) prior to implementation.
- * Design documentation shall be maintained in a centralized repository for easy access and version control.

2.2 Development Processes

- * The Architecture department shall follow the Agile development methodology, with iterative cycles of design, development, testing, and deployment.
- * All code changes shall be reviewed and tested before deployment to production environments.
- * Code repositories shall be maintained in a centralized version control system for easy tracking and auditing.

2.3 Change Management

- * All architecture changes shall be documented and approved by the ARB prior to implementation.
- * Changes shall be assessed for impact on existing systems, users, and stakeholders.
- * A change management process shall be followed, including notification, approval, and deployment scheduling.

3. Compliance Monitoring, Penalties, and Operational Governance

3.1 Compliance Monitoring

- * The Architecture department shall maintain a compliance monitoring program to ensure adherence to company standards and industry regulations.
- * Regular audits and reviews shall be conducted to identify areas for improvement and ensure compliance.

3.2 Penalties

- * Failure to comply with architecture policies and procedures may result in:
 - + Verbal warnings
 - + Written warnings
 - + Temporary or permanent reassignment of responsibilities
 - + Disciplinary action up to and including termination

3.3 Operational Governance

- * The Architecture department shall maintain a governance structure, including:
 - + The ARB: responsible for reviewing and approving architecture designs and changes.
 - + The Architecture Steering Committee (ASC): responsible for providing strategic guidance and oversight.
- * Regular meetings and reports shall be maintained to ensure transparency and accountability.

This document is effective as of the Effective Date listed above. All employees are expected to comply with the policies and procedures.
